Our Client: Fibreboard Corporation

Dear Mr. Kowalski:

On June 9, 1988, we attended a meeting over which you presided regarding the cleanup of the captioned dumpsites. We have written previously to inform the Agency that we believe our client, Fibreboard Corporation, was named by mistake and that, perhaps, the intended target was Fiber Bond Corporation. A copy of that letter is enclosed. At the meeting on June 9, 1988, we reviewed the evidence of waste contributors and noted that, indeed, Fibreboard Corporation is not on the list, but that Fiber Bond Corporation, 3300 South Kedzie, Chicago, is listed as a contributor to both sites. Further, in the deposition of Steve Martell, he identifies Fiber Bond at the same address.

Based thereon, we would appreciate receipt of a release of Fibreboard Corporation from you or another appropriate official of the United States Environmental Protection Agency.
